Dear Parents/Carers,

I am writing to inform you that there have been further cases of COVID-19 in Year 3. Whilst they do not currently meet the Government's criteria for an 'outbreak', we feel it is important to keep you informed due to the current situation and to encourage you to test your children to minimise the virus coming into school.

Both class teachers have tested positive this morning but, of course, we have alternative arrangements in place to ensure that the children continue to receive their education.

In school we continue to clean thoroughly during the school day and to make sure the classrooms are very well ventilated. Staff ensure the children regularly wash their hands at key points during the day. Through these and other measures, we hope to minimise the impact on the smooth running of the school.

Throughout the pandemic, Porters Grange has fared very well due to our rigorous control measures. We thank you for your support in our continued efforts to minimise the impact of COVID in our school community.

Kind regards,

Miss D Henley  
Principal

We are a **good** school in all areas
