Dear Parents/Carers,

There have recently been a few cases of COVID in our Reception classes. Unfortunately, this has affected a couple of children and staff. As a result, we need to postpone the planned phonics workshop for parents. This will now take place after Christmas and we will be in touch soon with a new date. We are sorry for any inconvenience this may cause.

In school, we have increased the amount of cleaning during the school day and continue to make sure the classrooms are very well ventilated. It would be helpful if you could regularly test your children although we understand this is not pleasant for them. Please also continue to communicate with the school regarding any absences your children may have and reasons for this.

Throughout the pandemic, Porters Grange has fared very well due to our rigorous control measures. We thank you for your support in our continued efforts to minimise the impact of COVID in our school community.

Kind regards

Miss D Henley
Principal
